THE NEWSLETTER OF THE CALEDONIA COUNTRY CLUB

KEVIN FRICK, *Editor*

PEOPLE IN THE NEWS

I have to start off this Scotsman with some sad news. Dick Maulfair reports that Don Roy, a long-time Caledonia Country Club Member, passed away on June 13, 2012. During the season, Don was at Caledonia on a daily basis; he didn't like the cold weather, so in the winter he golfed in Melbourne, FL. At Caledonia, he golfed with the Tuesday travel group as well as his regular Saturday morning group. Sundays, he took off from golf to attend church with his wife Carol. In addition to golfing, Don was active around the Club, as part of Ernie's Friday morning gas the carts team and helping set up tee blocks on Mondays and Tuesdays for the outside golfers. Don will be missed by his many golf buddies and friends at Caledonia Country Club.

Two holes in One!

- Pat Combo on #11 (172 yds, 6 iron)
- Bill White on #8 (165 yds, 5 iron)

A Caution: We all know how frustrating it is when that great drive suddenly takes a button hook into the rough, or when the cup keeps rejecting the ball. But please temper your language, particularly around the clubhouse area.

The Scotsman is here to inform! If you have any special dates, such as birthdays or anniversaries, notable events such as holes in one, or remembrances that you would like mentioned in the Scotsman, please send the information to Kevin Frick at kfrick77@gmail.com. I try to get everything in that I'm informed of, please send me a reminder if I miss something. Or give a note to Shirley B, she's always there.

FROM YOUR PRO

Please read this carefully, there is information important for all members.

Just a reminder: If you are in the Sweeps, please putt everything out - the ball MUST hit the bottom of the cup.

When returning golf carts, please drive around to the back of the cart barn and pull inside the garage.

Fresh blossoms welcome our members and guests.

Please don't clean your spikes in the locker rooms. There are brushes outside the Pro Shop, please use them!

The Pro Shop is open for business! Check it out, new merchandise is coming in every day, stop in and see what's latest and greatest! There's even a sale rack! Cash or credit card only, please.

Surely new clubs would help your score! Stop by and demo the latest in clubs! Let the staff know and they will take your name for a demo.

Don't forget to post all 9 hole and 18 hole scores. We have a new computer for posting but you post the same way, using the mouse and clicking on the number and names.

Just a reminder: everyone must pair up when taking golf carts out on the course. Let's not have groups with multiple carts, each with one person riding alone.

Remember, Chef Steve is back and running the Snack Shop; he's got a nice selection of tasty treats.

If you have any changes to be made in the Member roster book (phone #, address, e-mail or anything else), there is a corrections book in the Pro Shop. Please let us know ASAP, so we or you don't forget.

Our finishing garden. See the C's emerge!

The last week of Junior Golf is 7/18/12. We had 32 kids participating this year. Thank you to all the members who donated for this program. Individual thanks go out to Sylvia and Len Korn for helping out with the Junior golf program. We would also like to mention Stephanie & Johnathan Lapple, Doug & Johnathan Cope, and Dan Ahlstrom, as well as all of the parents. It was a great year for the Junior Golf clinic!

YOUR GROUNDS CREW AND WHAT'S NEXT?

- The Ladies' 18th tee is now open.
- The driving range is open for the season. Please fill divots with the sand-grass seed mixture in the big buckets at the tee area. This helps the grass grow back more quickly.
- For your convenience, we have put small boxes on all the teeing areas; thank you Al Carey for making the boxes. When the broken tees are left on the ground, they can cause flat tires on our equipment. Thanks for picking them up!
- As everyone knows, it has been a very warm and dry summer so far. We should all thank the gentlemen in charge of the water: Charlie Brower has been doing a great job making sure the pumps are running to snuff, and Tom Forsyth is finalizing the control boxes to make sure the sprinkler heads are putting the water where it belongs. So Charlie Brower is responsible for the water going through the pipes and Tom Forsyth is responsible for water coming out of the sprinkler heads.
- Please keep up with all ball marks and fill all divots with the sand bottles on your carts.
- As you look around the course, you'll notice flowers growing around the tee boxes. A big thanks to Don and E.A. Sears for organizing the flower garden program, and special thanks to all the members who have taken the time and responsibility to plant flowers in the gardens around the course. Now when you want to stop and smell the flowers they will be there. We will be running photos of the garden areas periodically; this issue, the 1st and 18th (alpha and omega).

- Thank You, Ernie Baker

A beautiful starting point for the course.
